

## Product Features

---

Model:	Scout 150 Classic	Max. output temperature:	90°	Fuel consumption:	3.11 kg/h
 Wheeled:	<input checked="" type="checkbox"/>	 Temperature adjustment thermostat:	Yes	Delayed burner start:	Yes
 Typology:	Cart-style	Detergent tank capacity:	4,5 L	Independent boiler ventilating set:	Yes
 Activation:	Single-phase	Detergent distribution:	Low pressure	 Manufacturing Country:	Italy
Category :	Hot water	Diesel tank:	15 L		

## Motor data

---

Motor type:	Electric single-phase	 Motor Speed (RPM):	2800 RPM	Manufacturing Country:	Italy
 Technology:	Induction	Max power absorption:	2.7 Kw		
 Rated output:	3 HP	Power supply:	220V power supply
